KENTUCKYSHOW!

KentuckyShow! is a larger-than-life sensory experience spanning centuries.

Immerse yourself in the breathtaking landscapes, history and culture of Kentucky narrated by the people who make it memorable.

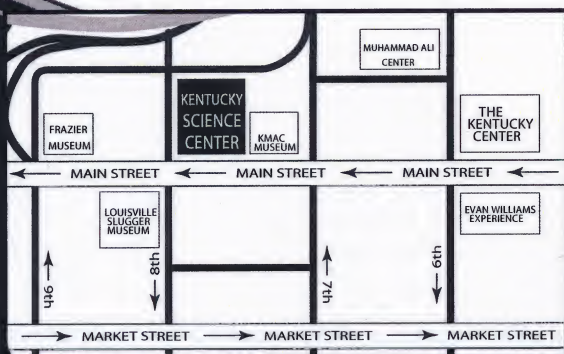

This 32-minute experience – a “First-see for visitors and a must-see for Kentuckians” – sits inside the Kentucky Science Center located in the heart of Louisville’s Museum district. KentuckyShow! is an essential and entertaining introduction to the Bluegrass State.

(Showtime reservations are accepted.)
